Background

The City of Norwood Young America, Minnesota, is a growing, small-town community in Western Carver County. In 1997, Young America and Norwood merged into one community to become the city known today as Norwood Young America. This semi-rural town is located on the edge of the Twin Cities Metropolitan Area, approximately thirty-five miles west of Minneapolis, essentially serves as the "Gateway to the Twin Cities" at the crossroads of Highway 212 and Highway 5/25.

Norwood Young America is home to 4,000 residents, with an average household income of \$74,000. It is estimated that the city's population will increase to 7,200 by 2030 (80% increase from 2020) and 9,200 by 2040 (28% increase from 2030). The median housing value is \$268,000.

Norwood Young America's urban amenities and small-town character, along with its proximity to a wide variety of transportation routes, make this City an

attractive place to live and work. It is an easily accessible community that is a prime location for new business and industry. Current major projects occurring in Norwood Young America include expansion of the Tacoma West Industrial Park by 60-acres, Central Public Schools \$37 million dollar renovation, and Highway 212 four-lane expansion project set to be completed in 2026.

Scope of Services

The result of this study should provide the Economic Development Commission, City Council, and developers a complete housing analysis and a meaningful sense of housing priorities, including current and future needs, and recommended housing diversities.
